

A GIFT OF PEACE

After John and Mary Chiappardi's daughter passed away from cancer, they wanted to do something to help Roper St. Francis patients and their families.

Their daughter Tina loved the outdoors and in her memory, the Chiappardi's donated a beautiful fountain to the Governor Thomas Bennett House garden. "We wanted to do something for patients and their families to give them peace while going through difficult times," said Mary.

CONGRATULATIONS, DR. FAIREY!

The Roper St. Francis Foundation is excited to announce Dr. F. Strait Fairey, a beloved family medicine practitioner, has received the 2016 Physician Champion Award sponsored by Lillibridge Healthcare Services, Inc.

The award honors a physician who has exhibited exceptional leadership while championing the development efforts of the Foundation. The award was presented at the Roper Xavier Society Donor Appreciation Gala on February 4.

"My career as a family physician began after my father, a surgeon in Rock Hill, commented to me that the best relationships between a doctor and his patients belong to the family doctor. I heeded his words and have been blessed to have a long career, and hope I have provided blessings to others along the way," said Dr. Fairey in his acceptance speech.

"How can we live up to the Roper St. Francis mission of healing all people with compassion, faith and excellence? It will take leadership, money, sacrifice and compassion. This Foundation, supported by each of you, can provide those requirements. Healthcare is local and we can provide the best care here in Charleston. Thank you all for your efforts."

Thank you, Dr. Fairey, for setting a high standard of excellence and helping us advance the mission of Roper St. Francis through philanthropy.

PHILANTHROPY WALL DEDICATION

The Foundation honored former Roper St. Francis President and CEO, David Dunlap and his wife Pamela, with the dedication of the Dunlap Philanthropy Center at Roper Hospital. The Dunlap Philanthropy Center celebrates and honors the donors who have given generously to support Roper St. Francis. Surrounded by donors, teammates, friends and family, David and Pamela Dunlap graciously received the plaque named for their generous philanthropic support and tireless dedication to Roper St. Francis.

Beginning with the founding of the Rx Society in 2005, now boasting nearly 600 members annually, the Dunlaps have continually been at the forefront championing philanthropic initiatives to advance the quality of healthcare at Roper St. Francis. "David has been instrumental in changing the culture of philanthropy at Roper St. Francis," said Ashley Redmond, Executive Director and Chief Development Officer. "It is through his visionary leadership that donors have invested in our healthcare system."

UPCOMING EVENTS

Haygood/Grady Memorial Tennis Championship Dinner and Silent Auction

Kiawah Island Golf Resort
May 19 – 21, 2017

Proceeds from the event benefit Roper St. Francis Cancer Care.

For more information visit www.haygoodgrady.com.

Spirit of Caring Golf Tournament

The Spirit of Caring Golf Tournament raises money to help support nursing scholarships at Roper St. Francis. Funded 100% through philanthropy, the nursing scholarship program provides financial assistance for nurses who want to advance their career.

The Daniel Island Club
May 8, 2017

For more information, email pennie.peralta@rsfh.com or call (843) 402-1634.

In 2016, the tournament raised over \$17,000 for Roper St. Francis Cancer Care. We are grateful to the dedicated volunteers who plan this event every year in memory of Prinella Haygood and Linwood Grady.
